

This is a Sample Title

Product name : ASSO INVISIBLE CLEAR

Summary

Multi-purpose fluorocarbon line with a wide diameter range

Pricelist

Support : Spool	Color : WHITE-00	Size : 1.00 mm	Packaging : 30 m	€60.50
Support : Spool	Color : WHITE-00	Size : 0.90 mm	Packaging : 30 m	€49.50
Support : Spool	Color : WHITE-00	Size : 0.80 mm	Packaging : 30 m	€42.00
Support : Spool	Color : WHITE-00	Size : 0.70 mm	Packaging : 30 m	€33.00
Support : Spool	Color : WHITE-00	Size : 0.60 mm	Packaging : 30 m	€27.50

Features

Features : Low visibility

Fishing techniques : Boat Fishing

Fishing techniques : Trolling

Fishing techniques : Bass fishing

Fishing techniques : Spinning

Fishing techniques : Surf casting

Fishing techniques : Beach casting

Fishing techniques : Big game

Fishing techniques : Rock fishing
Fishing techniques : Brook trout fishing
Fishing techniques : Bolognese
Fishing techniques : Touch fishing
Fishing techniques : Ice fishing
Fishing techniques : Pole fishing
Fishing techniques : Match fishing
Fishing techniques : Game fishing

Description

Abrasion resistant fluorocarbon line which ensures a long product life. It has a refractive index tending to zero the first meters under water which guarantees almost total invisibility and which allows to increase the catches even for beginners. The high specific weight ensures to hold the fishing position. Extremely waterproof, it allows you to keep the strength unaltered in any situation. It has a low elongation and is totally insensitive to temperatures even in prohibitive climatic conditions. Especially suitable for leaders.
