Color : WHITE-00	Size : 20 LB	Support : Hank	Packaging : 10 FT	€6.50
Color : WHITE-00	Size : 16 LB	Support : Hank	Packaging : 10 FT	€6.50
Color : WHITE-00	Support : Hank	Size : 12 LB	Packaging : 10 FT	€6.50
Color : WHITE-00	Support : Hank	Packaging : 10 FT	Size : 10 LB	€6.50

Features

- Features : High softness
- Features : Low visibility
- Features : High abrasion resistance
- Features : Conical structure
- Fishing techniques : Fly Fishing

Description

Asso Saltwater Tapered Leader features a very strong and resistant surface. It is designed to resist and absorb even constant shocks without compromising performance. Very high abrasion resistance thanks to the particularly soft copolymer and low stretch. This leader features a very powerful butt and taper, suitable even to the most heavy flies and the typical marine pattern. Its transparent coloring ensures low visibility. Especially suitable for leaders.

Specs						
	LENGTH	SIZE	BUTT DIAM (mm/inch)	LENGTH (cm/inch)	TAPER LENGTH (cm/inch)	TIPPET DIAM (mm/inch)
	10 ft	10 LB / 4.5 KG	0.600 / 0.023	171 / 67.3	85 / 33.5	0.265 / 0.010
