

This is a Sample Title

Product name : ASSO SUPER AJING SHOCK LEADER

Summary

Fluorocarbon monofilament perfect as shock leader

Pricelist

Support : Spool	Color : WHITE-00	Size : 0.6 GO	Packaging : 30 m	€9.00
Support : Spool	Color : WHITE-00	Size : 0.8 GO	Packaging : 30 m	€9.00
Support : Spool	Color : WHITE-00	Size : 0.5 GO	Packaging : 30 m	€9.00
Support : Spool	Size : 0.4 GO	Color : WHITE-00	Packaging : 30 m	€9.00
Support : Spool	Size : 0.3 GO	Color : WHITE-00	Packaging : 30 m	€9.00

Features

Features : Low visibility

Features : Low elongation

Fishing techniques : Mebaru-Ajing

Fishing techniques : Game fishing

Description

Asso Super Ajing Shock Leader is a 100% fluorocarbon monofilament produced with an innovative extrusion

system that guarantees extreme strength and quality at every point of the line. It's very sensitive and perfect for ajing game. Also perfect as shock leader. Thin diameters with high linear and knot breaking strength. Excellent abrasion resistance. Clear coloring for excellent transparency. Especially suitable for leaders.
